Subject: Arkwood review

I got a hold of Phil Harte (via e-mail) and he has started reviewing the Arkwood Dye Trace and will have some comments. He was wondering if he could provide comments next Tuesday. I know comments are due this Friday. I think he is away this week, thus he needs a few more days to finalize his comments.

Please let me know if you are OK with turning in the comments a few days late. Phil has also been working on 18/24 to get some outside eyes on the report, so he has been busy with that one as well.

Thanks.
